

Dear Parents,

I hope you and your families are enjoying the summer holidays. I am sure that due to the current situation plans may have changed, but I do hope you have managed to find some time to relax.

Having reviewed the current ADEK and UAE government advice we have created reopening plans for our Al Muna children. Our central Operational Risk & Safety team have been working with ADEK, health authorities and the team here at the school to establish the very best standards in regards to safety and health controls to help prepare our school for re-opening.

Please be aware that the current plan is based on the information currently available and may change subject to new policies or guidelines that may be released. Any further changes will be communicated in a timely manner to allow for families to make suitable arrangements.

In preparation for the return to school on Sunday 30th August, please be aware that we shall be offering a rotation model which allows children the optimum face to face, in-school experience, alongside our online distance learning platform.

Each class will be divided into 3 groups and will attend school on the day that their group is due to be taught face to face. This ensures that social distancing is maintained, and the very highest level of Health and Safety can be adhered to. *Further information and timetables will be sent out nearer the time of return to clarify which day(s) your child(ren) will attend.*

We will continually review this plan alongside any adjustments to policies/guidelines.

Please be aware that additional information shall be emailed out to parents, as well as being placed on the school portal.

I wish you and your families a wonderful summer and look forward to welcoming you back to school the week beginning **Sunday 30th August.**

Kind regards,

Mrs Sarah Griffiths
Principal
